What is the East London Yarn Triangle? It is a collection of three shops, all in the London borough of Hackney. Together they make a triangle of yarn that is easily accessible on transport and by foot. The shops each have their own unique offerings and style and are located in interesting and vibrant neighbourhoods. From socially conscious yarns at Knit With Attitude, to breed specific yarns at Wild and Woolly, to upcycling knitting and sewing supplies at Fabrications, you are sure to find something for your next project.
